After 15 years away, barber Benjamin Barker learns the corrupt Judge Turpin seduced his wife, which led to her suicide, and adopted his daughter. Barker vows revenge using the tools he knows best: a razor and a barber chair. Some call this Sondheim's most perfect score. Others have described it as a pitch-black comedy filled with thrills and terrors; while others have called it one of the single greatest achievements of American musical theater in the last 50 years. Decide for yourself and experience Paramount's *Sweeney Todd*. Suggested Rating: PG–13
