

The unfortunate news of the Naperville School of Performing Arts closing reached us today, and we were stunned like most of you. As a fellow arts organization, we have friends and colleagues that know people directly affected by the closing of SPA. We feel for those students and parents that lost out on summer camp plans and the hard-earned money that they invested in growing their love for the arts. Now a performing arts school ourselves, we feel compelled and obligated to do something about this. You paid for a camp, and you're going to get one! We'd like to offer students who signed up for SPA summer camp to join one of our camps listed below at no additional charge. Simply give us a call at 630-896-6810 or email us at [school@paramountarts.com](mailto:school@paramountarts.com). Let us know which camp you'd like to join, and please provide proof of receipt from SPA to verify your enrollment. We'll get your camper set up in a class this summer at Paramount School of the Arts. We know it's not much and won't fix what's been done, but it's something we can do in your time of need. We hope it helps, even if just a little bit. We're sorry that this unfortunate incident happened, and we wish all involved the very best!
