9/11/2001... 38 airplanes, 6,579 stranded passengers from 100 countries, 1 small town in Newfoundland. Before they have a clue what's happening, thousands of passengers are diverted to the town of Gander, doubling its population and putting the townsfolk to the test.

Based on astonishing true events and hundreds of hours of interviews with the townspeople and the “come from aways” (aka stranded passengers) who were welcomed with open arms, you'll experience the spirit of small-town generosity that helped the healing begin. Full of songs that celebrate kinship and grit, *Come From Away's* message is simple and significant: in this day and age, it's more important than ever for kindness to reach across the borders.

Pageantry and spectacle come to life in this iconic holiday production. WWII is over, former GIs Bob and Phil have become a highly popular song and dance team who meet an equally talented up and coming sisters act. The men travel to a quaint ski resort in Vermont to watch sisters Betty and Judy perform. But once there, they realize the mountain resort is owned by their former General, who is about to lose it all. Plans begin to help save the beloved General and his business, which culminates in a show filled with epic dance numbers, spectacular costumes and a finale rendition of “White Christmas” that will make you a believer.

This family favorite brings generations together to celebrate the magic of the holidays.

“Dear Evan Hansen: Today is going to be a good day and here’s why...” That’s how Evan starts every day, writing himself a letter about why it’s going to be a good day. A coping mechanism for this lonely, anxious high schooler looking to fit in. It’s because of these letters that Evan finds himself telling a well-meaning, little white lie that snowballs into a blizzard of untruths. In the end, his unforgettable journey demonstrates there is a place for everyone to feel love, acceptance and to be seen—even when you make mistakes.

South Pacific* by

and **TRENT STORK**

Set in a tropical paradise with warm sea breezes, breathless sunsets and B52 Bombers. *South Pacific* is an uplifting musical tale that follows World War II Armed Services personnel, Ensign Nellie Forbush and Lt. Joseph Cable through spy missions, war-time drama and romance. Balancing duties to their country with their island expectations, they each find themselves irresistibly falling in love on foreign soil. But will that love translate back in the States?

South Pacific is an iconic, complex and important piece of musical theater reminding us all of the importance of celebrating cultural differences and the value of people unlike ourselves. Featuring some of Broadway's most memorable showtunes from Rodgers and Hammerstein including: "Some Enchanted Evening," "I'm Gonna Wash That Man Right Outa My Hair" and of course... "Bali Ha'i."
