SERIES

THE BOLD SERIES, WHERE
ABSOLUTE **VERACITY** IS
REQUIRED. THE THEATER IS
INTIMATE, ONLY SEVEN ROWS.
THE WORK IS **ENVELOPING**,
REQUIRING UNRELENTING
COMMITMENT FROM ALL.
THE RESULT IS **VISCERAL**,
GENERATING THOUGHT AND
CONVERSATION LONG AFTER
THE THEATER GOES BLACK.

We welcome you to join this season's very different,
very authentic, very Bold experiences.

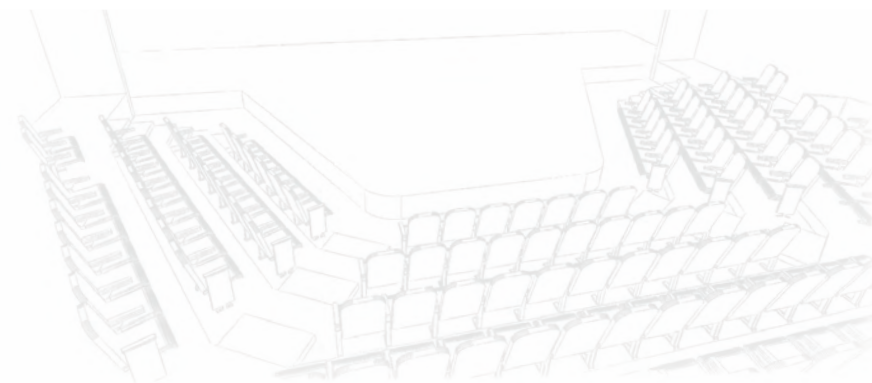

3-show packages begin at just \$78.

Paramount's Bold Series offers you three very different, very intimate theater encounters that you simply will not get anywhere else in Chicagoland. The productions are award winning. The theatre itself is the ideal venue to experience these shows. The ticket price is unbeatable. If that weren't enough, you also get:

- **10% off single tickets** to the Bold Series, Paramount's Broadway Series, *Million Dollar Quartet* at Stolp Island Theatre, and other select shows.
- **Unlimited free exchanges** (equal or lesser value) up until noon the Monday prior to your scheduled performance. If exchanging to a higher ticket price, simply pay the difference. Seating based on availability.
- **Dedicated Subscriber Services Staff** there to help you secure the best seats for the experience you want, make recommendations on dining options, offer parking advice and more.
- **First access** to just-announced shows
- **Exact same seats** to all three productions

Please take three minutes, look at the season line-up, read the brief show descriptions. If you have any questions, please call and one of our Subscriber Services Associates will spend whatever time you need talking through shows, subscriptions, benefits, you name it. Thank you for your time. We hope you'll join us.

After five years apart, Austin and Lee discover they only have one thing in common: a sense of cutthroat ambition, no matter who stands in the way. As the conflict and chaos between the two boil, things go from tense to savage as nerves and family ties fray, and the tables turn for them both.

Nothing much ever happens in a small town in Georgia—especially for someone who needs to be in the limelight. So Johnny skips town to make it in the music world. When he returns two years later, fully transformed and a rising blues star, rumors begin: is Johnny possessed with talent, or simply possessed? And after he takes his new hometown bride on the road and returns her two months later—mute and manic—sins are exposed, old secrets surface and faith is held together by the thinnest of threads.
